

JEREMIAH REUBAN N

JUNIOR WEB DEVELOPER

CERTIFICATIONS

JAVA FUNDAMENTALS - SCALER

I Completed fundamentals of Java course offered by Scaler Academy. This course expanded my understanding of Java programming.

DSA PROBLEM SOLVING - SCALER

I Completed this DSA problem solving course using offered by Scaler Academy. This course deepened my core understandings of Data structures and algorithms and enhanced my problem solving abilities.

BASICS OF MYSQL - SCALER

On completing this course, my understandings about structured query language became stronger. I learnt how to query and retrieve data from database and combine and query data from different tables from this course. I strongly believe I can comfortably write queries in MySQL and retrieve data from a database.
